

Concert starts at 7pm

Tickets £15 in advance, £18 on the door, £5 students

Flanders Recorder Duo has been giving recorder workshops as well as concerts since 2013, visiting England, Scotland, Belgium, Germany and the USA. Their unique and effective programming presents the recorder as a fully-fledged musical instrument both in early music and conventional concert series.

The key to great teamwork is mutual understanding and friendship. Joris and Tom have toured the world for many years with the Flanders Recorder Quartet. In that capacity they have arranged, taught and played music together since 2008. They found each other in countless rehearsals and numerous conversations about music, recorder, viols and life. It became a collaboration without equal that led to dozens and dozens of concerts and workshops together.

We are looking forward to welcoming them back to Tudeley Church.
